For Business License: Please check one

- Attached list of subcontractors (minimum information required: name, address, telephone number)
- No subcontractors will be used for this job

This permit is for clearing and grading only. The referenced work will be in compliance with all applicable regulations and conditions of the Town of Mount Pleasant, S.C.D.O.T., **and the approved O.C.R.M. Permit.** The approval of this permit does not obligate the Town of Mount Pleasant to issue a building permit or permit site improvements unless the building and site plans are accurate and approved by the respective reviewing authorities.

The applicant certifies that all tree protection and sediment control measures will be installed and the Town of Mount Pleasant will be notified to inspect the said measures prior to beginning construction on the site. The Applicant certifies that all measures detailed in the Town's Tree Protection Ordinance shall be followed. Applicant will maintain all necessary sediment control measures to prevent off-site run-off until the site is permanently stabilized. A copy of this permit shall be available at the work site at all times for references by workmen and governmental officials.
